## THE TEST THAT TELLS

Is the Test Of Time. Many Norway  
People Have Made This Test

Years ago this Norway citizen told in  
a public statement, the benefit derived  
from Doan's Kidney Pills. The state-  
ment is now confirmed—the testimony  
complete. Instances like this are numer-  
ous. They doubly prove the merit of  
Doan's Kidney Pills. Can any Norway  
reader demand more convincing proof?  
It's Norway testimony—it may be inves-  
tigated.

S. E. Bradford, prop. of laundry, Main  
St., says: "For some time I had a dull  
pain through the small of my back, to-  
gether with a tired feeling. I couldn't  
rest well either, when a friend advised me  
to take Doan's Kidney Pills, I got a sup-  
ply at P. P. Stone's Drug Store. After  
I used two boxes, the pains and other  
symptoms disappeared and there was a  
great improvement in every way. I have  
had no kidney trouble since."  
Four years later Mr. Bradford added:  
"I still have confidence in Doan's Kidney  
Pills as it hasn't been necessary for me  
to use a kidney medicine since I took  
them."

had. Foster-Milburn Co. Mfrs., Buffalo,

**Albion L. McKean**  
Albion Lorin McKean, son of Charles  
P. and Sarah E. McKean, passed away  
at his home in this place, Feb. 2, at the  
age of 30 years. His birthplace was  
Stoneham, where for many years he was  
employed by Charles Bartlett, also by  
Virgil Littlefield. Always a hard work-  
ing boy whose way was as good as gold.  
His sunny disposition endeared him to all  
with whom he came in contact. Two  
years ago he came home to assist his par-  
ents on the farm, to whom he has been  
the main stay.

He married Flora L. Wheeler, by whom  
he had one child, a daughter. His home  
was made happy by his loving presence

**IN MEMORIAM**  
**ALBION LORIN MCKEAN**  
Fading away like the morning,  
We had no power to keep,  
Passing from earth and in telling,  
He lies in peace asleep.

Seem our spirits so much farther  
Since our dear one has been laid,  
Visions clearer, Heaven is nearer  
For the parting of to-day.

Soon we all may follow after  
Still we miss him more each day.  
Miss his sunny face and laughter,  
Miss his more than words can say.

For his life was a noble example  
From the day of his birth,  
We know that his friends were legion  
Because of his sterling worth.

Fair his brow and just as tranquil  
And the life serene and mild,  
As when they were with him, his kisses  
From a darling wife and child.

Dear lips that first lapped "mother"  
Music that only mothers know,  
Loyal to father, sisters and brother,  
With a heart as pure as the snow.

Softly the snowflakes were falling,  
Siding the light of our tears,  
When we heard a sweet voice singing,  
Remembered by what he has done.

"Only remembered" is a tragic  
Fell on our hearts like hail.  
God bless the dear, sweet singer,  
Whose words had such power to calm.

All in vain, the storm may sweep,  
Since Heaven is our goal,  
There is no sleep, no grave so deep  
That can hold the honest soul.

We know the dear lady departed,  
Safely lies under the sod,  
His spirit, released, is delighted  
In Heaven, and praising God.

**ALBANY**  
The sad news has reached Albany  
of the death of Mrs. Percy Deane. She will  
be remembered as a very smart young  
lady who visited at her father-in-law's,  
A. G. Bean, of Hunt's Corner, last Fall  
and played the piano at the vestry at one  
of the Ladies' Circles. She and Mr.  
Deane graduated at the University of  
Maine. After being married, they went  
out west where he was civil engineer and  
is still employed by the government. His  
wife was with her folks at Bangor. She  
leaves two young children, the youngest  
only 9 days old, a father and sisters.

There has been much sickness in town  
for the past three weeks, Mrs. Ellsworth  
Wilber passed away at her sister's, Mrs.  
Thomas Logan's. She leaves two small  
children and a husband. Interment was  
at Songo Cemetery.

Mrs. Agnes Samuels Farwell, sister  
of O. H. Saunders of Albany, passed  
away at Portland Hospital. She was the  
widow of Wallace Farwell of Bethel, who  
passed away several years ago.  
Charles Becker's son and daughter and  
Mrs. Becker have been sick out to the  
dormitory at Bethel.

**Carrying a Ton a Mile for less than a Cent**

Freight rates have played a very small part in the rising cost of living.

Other causes—the waste of war, under-production, credit inflation—have added dollars to the cost of the necessities of life, while freight charges have added only cents.

The average charge for hauling a ton of freight a mile is less than a cent.

A suit of clothing that sold for \$260 before the war was carried 2,265 miles by rail from Chicago to Los Angeles for 16½ cents.

Now the freight charge is 22 cents and the suit sells for \$50.

The cost of the suit has increased 20 dollars.

The freight on it has increased only 5½ cents.

Other transportation charges enter into the cost of the finished article—carrying the wool to the mills and the cloth to the tailors—but these other charges amount to but a few cents more.

The \$10 pair of shoes that used to sell for \$5 goes from the New England factory to the Florida dealer for a freight charge of 5½ cents—only one cent more than the pre-war rate.

Beef pays only two-thirds of a cent a pound freight from Chicago to New York.

American freight rates are the lowest in the world.

**HARRISON**

Mrs. Ada Caswell, wife of J. Wallace Caswell, died Monday, Feb. 23d, at her home on Waterford road where she has been ill for some months.

She was the daughter of Appleton and Lydia Pitts Chaplin, and was born Nov. 4th, 1863. On March 15, 1890, she married J. Wallace Caswell and three children were born to them, Lester of Kittery, Celia, a student at Gray's Business College, and Helen, who is a student at Bridgton Academy.

Mrs. Caswell was devoted to her home and family, where she was a tireless worker. She attended the Baptist church and was a member of Woodland Rebekah lodge.

She leaves several brothers and sisters, Mrs. Charles Batchelder, Mrs. Herman Thompson of Harrison, Mrs. Edwin Leighton of Windham, Charles Chaplin of Waterford, Mrs. Henry Leighton of Harrison, and Frank Chaplin of Mechanic Falls.

Funeral services were at the home, Friday afternoon, and were conducted by Rev. Mr. Brooks of the Baptist church.

The bearers were Joseph Chaplin, Silas Pitts, Joseph Pitts and Marshall Pitts. Burial at the Harrison cemetery. Many flowers from societies and friends testified to the esteem in which she was held.

Eugene Tenney has sold his store and business on Main street to Mrs. Dora Davis, who has taken possession, and is moving her household goods upstairs. Bert Davis, her son, will have charge of the business.

Although Monday was an ideal day for town meeting, many voters were detained at home through sickness and bad roads. **HAVE YOU SCROFULA?**

Now Said to Be as Often Acquired as Inherited.

It is generally and chiefly indicated by eruptions and sores, but in many cases it enlarges the glands of the neck, affects the internal organs, especially the lungs, and if neglected may develop into consumption.

It causes many troubles, and is aggravated by impure air, unwholesome food, bad water, too much heat or cold, and want of proper exercise.

Hood's Sarsaparilla, the medicine that has been used with so much satisfaction by three generations, is wonderfully successful in the treatment of scrofula. Give it a trial.

If a cathartic or laxative is needed, take Hood's Pills—there is nothing better for biliousness or constipation.

**Z. L. MERCHANT****Advance Showing of Spring Models**

There is a distinct satisfaction in being among the first to see the new modes as they appear at the beginning of the season.

More especially is this true of the Spring season when blizzard weather has become irksome and impatience for the warmth and brightness of the early Spring days seems to take possession of us.

There is an advantage too in being first to view the new tailored Suits, Coats and Dresses, especially so here where such care is exercised in selections as will preclude the possibility of duplication.

It has often been noted that the very choicest of the new models are taken early and assurance is given that these early selections do not again appear during the whole season.

Some quite radical changes are noticeable, but they are most beautiful and will, we feel certain, be much admired.

The many shopping advantages which this store continually offers are sharply reflected in the large and splendid stocks of merchandise carried.

Not only a full and very complete representation of all that is new and attractive, but it will be seen that prices are lowest, quality considered.

## LOVELL

Keniston-Lamb

A very pretty wedding took place at the home of Mr. and Mrs. Henry E. Farrington, 10 Church St., Gorham, Me., Saturday evening, Feb. 21st, at 8 o'clock when Frank Earle Keniston and Gladys Charlotte Lamb of Haverhill, Mass., were united in marriage by Rev. Stanley Carver of Gorham. The single ring service was used.

The bride was given away by Mr. Farrington. The bride was charming in a gown of white satin and pearls. The groom wore the conventional dark suit.

Mrs. Keniston is the youngest daughter of Mrs. Lamb of Haverhill and a sister to Mrs. Currier of that city, a graduate of Lowell Normal School and a teacher in Haverhill this year.

The groom is the second son of the late Frank A. Keniston of Lovell, and went to Haverhill in 1915 as apprentice to the firm of Currier Sons, contractors, of that city. He later served in the Naval Aviation Corps and at close of the war returned to Haverhill and has been associated with Mr. Currier.

Mr. and Mrs. Keniston will reside in Haverhill and Mr. Keniston will enter the firm with Mr. Currier. Out of town guests were Mrs. Bertha Keniston of Bethel and Hazel M. Keniston of Freeport, mother and sister of the groom.

Lots of people are sick here now, public meetings are cancelled until the sickness abates.

The grange closed to give an opportunity for an exhibit by the school of physical drill, spelling, reading, etc. There was a large display of drawings, flour and salt maps and specimens of handwriting. This was followed by a discussion of teachers' salaries, consolidation of schools, remodeling schoolhouses, school libraries, amount of money the town should be asked to raise for support of schools opened by Mr. Clement, supt. of schools and responded to by several others. A very interesting session. Popcorn and corn balls were served.

**Let these great mills feed your live stock**  
In determining a feed for your horses and cows or hogs one of the most important points is to secure a feed which meets the requirements of these different animals. If you do not exercise care in choosing feeds you will turn a profit into a loss, even though you have good stock and good quarters. Badger Monopoly Feed is a carbohydrate stock feed. It is milled by an individual patented process from scoured whole corn, oats and barley. There are no other ingredients in Badger Monopoly Feed, and in the good qualities of corn, oats and barley are made more available to the animal by our special milling process. Badger Monopoly Feed is relished by horses largely on account of its palatable variety. It produces real energy, and being bulky insures freedom from colic and many other horse troubles. When Badger Monopoly Feed is fed to cows it constitutes an ideal carbohydrate portion of the cow's ration because its bulkiness and natural sweetness make it a desired, satisfying ration for the cow. Badger Monopoly Feed is also used with high protein concentrates, such as Krause Dairy Feed or Badger Sweet Cud, both of which are 24% protein. It will prove particularly economical for mixing with tankage for hogs or fed without additions to brood sows. One sack of Badger Monopoly Feed will convince you that you are losing money to be without it.

## Interesting Case of Miss Baird

Sick Four Years, Tells How She Got Well

The case of Miss G. I. Baird of 30 Glenville Avenue, Allston, Mass., may bring new hope and health to other sufferers who have stomach worms and do not know what is the matter. A letter from this sufferer tells the story:

"I have been sick almost two years, had four doctors with little or no relief. Some of the doctors said I had enlarged liver, nervous digestion, too much acid in my system. I was so tired in the morning it seemed as though I could not get dressed and get to work. I was growing thin every day, went from 138 to 111."

"I was so discouraged I didn't know what to do. One night about three weeks ago, I picked up a paper and saw your Dr. True's Elixir, Family Laxative and Worm Expeller, advertised. I made up my mind I had worms and the next day bought a small bottle of Dr. True's Elixir and took three teaspoonsful until I had taken the bottle."

"I was surprised at the result. Pinworms, some a finger long, so much slime, some that looked as though it was just the skin of worms. The day before I took Dr. True's Elixir I thought I should go wild with the crawling in my stomach. I could feel them. My stomach was sour all the time and some days I could not retain what I ate, while other days couldn't keep anything on my stomach. I coughed so just the minute I went to bed some nights I would not sleep more than one or two hours. The second dose stopped the crawling and the second night I didn't cough."

"I feel like a new person, all my friends say I look so much better, but I don't need to have them tell me, for I know my feelings. I wouldn't have believed anyone could feel so much better

Miss Baird of Allston, Mass., Knitting

The medicine mentioned in the above letter is made by Dr. J. F. True & Co., Auburn, Maine, and is called Dr. True's Elixir, the Family Laxative and Worm Expeller. On sale everywhere medicine is sold. Recommended by many druggists who have used it in their own families.

## BATES—WEST PARIS

Pomona Grange

Tuesday was a good day for Pomona and a good 200 from the various subordinate granges were present. There were eight candidates who took the Pomona or 5th degree. After a bountiful dinner which is one of the enjoyable features of the day, the following program was enjoyed: Address of welcome by F. L. Wyman; response by the Asst. Steward, Saunders of Newry. Mr. Pike, the blind singer, sang in his clear, sweet tenor voice two pretty songs which were appreciated by all. Mr. Dudley, who was expected to speak was sick and unable to be present, but Prof. G. A. Yeaton of Norway came and gave a very interesting address on orcharding, illustrating methods of grafting, budding and pruning and answered various questions on the same.

Richard Gates brought to mind the recent death of Hon. John A. Roberts, commissioner of agriculture of Augusta, and eulogized his memory as one who would be greatly missed in the grange. Resolutions on his death were drawn up and read at this time, which were adopted by the grange.

Herbert P. Andrews expects to take his first trip this spring to Montauk after horses. He plans to start early next week.

Some talk has been made to continue basket ball for a time after the high school schedule is finished, Friday. A strong independent team composed of players from the high school and other promising material from other schools would keep up an interest in the sport until baseball weather closed the deal.

Mr. and Mrs. Napoleon P. Roy have returned from Keen, N. H., where they have been employed in a shoe factory during the winter. Mr. Roy is in the Carroll, Jefferson Co. factory.

Albert J. Pike of Bethel is visiting his sister, Mrs. Merrill Fuller. According to Mr. Pike this snow may last well into the spring. Fifty-eight years ago he worked on a farm up in town and on April 20 and later the winds and fumes were covered. Solid walking on snow was a common practice the evening of a storm brought some twelve inches of snow after that date. Clear up!

Men of the Congregational parish assigned the parts Tuesday evening for "Mrs. Jarley's Wax Works" to be exhibited at the Fair entertained in the near future. This will be purely a theatrical show with various scenes, impersonated by newly presented men in town. Of course the lamented Mrs. Jarley will not delineate in person, but her mantle has fallen on another who will explain and expand the interesting characteristics of each and every scene.

Alton Perkins of Alton Hill, Oxford, was in town Tuesday, looking for trades as usual. Traveling down his way was good considering the storm, but has given up hauling wood until a path can be shoveled to the pile some distance from the main highway.

Harriet Craigin, who teaches at Rockland, Mass., has had a raise in her salary of \$200, beginning with the first of March which makes a salary of \$1,400 a year.

Sergeant High of the Portland army recruiting office is spending a few days in town representing the adjutant general of the army, and is looking up recruits. The drive for recruits which began Feb. 1st, continues until the first of April.

Mrs. Hattie Buck and Reta Frost of South Paris spent the week end with Mr. and Mrs. Willis A. Walker and family, and Mr. and Mrs. Herbert C. Walker at Auburn.

Mail was hauled over from South Paris Tuesday morning which arrived from Portland about midnight. This was the first intercourse over the railroad with outside towns since Saturday forenoon. Stalled trains everywhere blocked the Grand Trunk line. All schedules were declared void Saturday afternoon, Sunday and Monday with nothing but plows and relief trains running when possible.

The old inhabitant can't recall an exact duplicate of these conditions. Mrs. Ernest C. Murch is ill at her home with liver trouble.

Never in the history of the local snow shoe industry have the makers been flooded with personal call for their products. Never before have so many people used shoes in their journey in quest of groceries, to attend school and churches or to go to and from their places of business. During the past few weeks snow shoes have passed from an item of luxury to a convenient necessary and energy conservator.

Mrs. Simon Richardson is able to be out again and can do her work after having her arm and wrist so nearly broken. She went to step out of the kitchen door and a large stick of wood was left there by Mr. Richardson. She was thrown with great force on her arm and chest with bad results. If she walks much, she faints away. She had to give up her work in Portland.

Mrs. Charles Delano and little son Rodney have returned to their home in Portland. She stayed a while longer after her visit to her mother, who was hurt, as she could not use her hand and arm.

On Sunday evening, March 14th, a photodrama entitled "The Victim," a production of the Catholic Art Association of Bethel, will be presented at the Rex Theatre, under the auspices of Father Cassidy, for the benefit of St. Catherine's Church. The fourth Sunday in Lent is styled in Catholic liturgy "Laetare" Sunday, from the Latin word which means "rejoice" and on that day flowers are placed on the altar and the ornaments instead of the penitential purple, are of rose color. The faithful are invited to rejoice in that half of the Holy Season has been well spent, in fasting, in prayer and in other good works. It is a suitable day for the presentation of a photoplay capable of inspiring Catholics to know and love their religion better, and of inspiring non-Catholics to regard with greater respect and esteem the teachings of the old mother church.

Mrs. Mark Wormwood of Sanford will be the guest of Catherine Martin, Sunday. It is expected that she will preside at the piano at the Rex Theatre Sunday evening.
